Please make sure that the form is completely filled out and that it is clear and legible. The calligrapher is not responsible for any error in the above information or if any of the words are illegible. If no Hebrew is provided, the calligrapher will provide Hebrew spelling and this is to be considered acceptable to the client. Please make sure that the officiating rabbi has approved your choice of text and all of the above information. I have read and approved all of the above information.
